National Division**

OFFICER AWARENESS:

- Nothing to report

SOI/PPPOI:

- **Personal Info.** posted a video on his YouTube channel **Personal Info.** entitled: **Per. Personal Info.** Throughout the video, **Personal** mocks the 'lack of plan' by the government and police force to counter the demonstration. He laughs about a plan to use helicopters to move trucks and news that the police are constantly coming, then not coming. **Personal** states there is confusion and dissension in the police: "the police don't want to be doing this...you go down there and see them all the time they are looking at their feet...they feel disgusting." He asks the government if they are going to break into the trucks and move them one by one. **Personal** tells the government to "take the loss, there is no way out of this for you". He states it will end with either the government admitting defeat or dragging it out and looking more ridiculous day after day. He states this weekend there is going to be even more people than the last two weekends.¹
- **Personal Info.** posted a video on **s.37** discussing the freezing of the GiveSendGo funding and mentions they have a lawyer working on it. **Person** also states: "apparently there is a bunch of wreckers coming in, tonight is the night maybe, we're not sure, Ottawa City Police are going to play their cards. Tomorrow morning, everybody showing up for the weekend, we might all be in jail, you never know".²
